Nanoparticle Deposition in Iron Powder Combustion –Effects of Thermophoresis on Deposition Efficiencies

Wednesday, September 17, 2025 10:00 AM (1 hour)

Primary author: HARTMANN, Nils (University of Stuttgart - Institute for Reactive Flows)

Co-authors: Prof. KRONENBURG, Andreas (University of Stuttgart - Institute for Reactive Flows); Mr MÄRKER, David (Karlsruher Institute of Technology - Engler-Bunte-Institute); Prof. STEIN, Oliver Thomas (Karlsruher Institute of Technology - Engler-Bunte-Institute); Dr ZIRWES, Thorsten (University of Stuttgart - Institute for Reactive Flows); Mr LUU, Tien Duc (Karlsruher Institute of Technology - Engler-Bunte-Institute)

Presenter: HARTMANN, Nils (University of Stuttgart - Institute for Reactive Flows)

Session Classification: Poster Session B

Track Classification: Flammenbehandlung, Flammensynthese
