Application of Artificially Modifying the Flame's Response to Acoustic Waves in Compressible Reactive Flow Simulations

Wednesday, September 17, 2025 3:00 PM (20 minutes)

Primary author: EIGEMANN, Jonas (Universität Duisburg-Essen)

Co-authors: KEMPF, Andreas (Universität Duisburg-Essen); Dr BECK, Christian (Siemens Energy AG)

Presenter: EIGEMANN, Jonas (Universität Duisburg-Essen)

Session Classification: Session 17

Track Classification: Verbrennung in Gasturbinen und Motoren
