Once you are registered at our conference platform, you have access to our timetable.

The page features a large illustration of diverse women dancing. A navigation menu on the left includes "Overview", "Timetable", and "Registration". The main content area shows the event title and a brief description: "Recent events have shown that it is urgent and fundamentally important to shed new light, through philosophical, linguistic, literary, scientific, medical and artistic perspectives, on the female body and the position of women in relation to their body. Too often it seems that women do not have the right to". A search bar is visible on the right.

You will find a paperclip symbol next to each session.
